

# CELEBRATE EARTH DAY

The Power To Make The Difference  
Eco-Responsibility for the Data Center

Lunch, Panel Discussions and an Eco-Friendly Vendor Fair

IAS invites you to celebrate Earth Day with us and join us for a fabulous organic lunch; panel discussions with executives from Sun Microsystems, VMware, PG&E and an eco-friendly Vendor Fair featuring:

- > AMD
- > Brocade
- > Hitachi Data Systems
- > PG&E
- > Quantum
- > Silicon Valley Leadership Group
- > Sun Microsystems
- > Sustainable Silicon Valley
- > Symantec
- > VMware

Please join us and discover how you can save money in your datacenter with eco-friendly solutions to achieve your IT management and corporate citizenship goals.

**What:** Eco-Responsibility for the Data Center Vendor Fair

**When:** Friday, April 20th  
11:00 a.m. - 3:00 p.m.

**Where:** [The Computer History Museum](#)  
1401 N. Shoreline Blvd.  
Mountain View, CA 94043

Eco-Responsibility is a fairly new concept within the IT environment that can save millions every year in costs for energy and space. What's good for the planet can also be good for your company. IAS and their partners offer innovative products that consume less power and provide customized, unsurpassed performance while saving you money and resources. IAS is also pleased to announce a unique relationship with [Sustainable Silicon Valley](#) and [Silicon Valley Leadership Group](#) to promote corporate responsibility.
